

International Building a Better World

More than 800,000 people in Lebanon are without adequate food and shelter.

Building on more than a decade of experience in Lebanon, CHF International has mobilized its staff and resources to urgently assist those living in temporary shelters and community facilities in Beirut and throughout the country. Our local staff, almost all of who are Lebanese themselves, are distributing much-needed emergency relief items, such as food,

bedding, and medical supplies, and establishing hygienic sanitary systems to reduce the spread of disease.

As the humanitarian crisis in the region rapidly escalates and violence continues to take hold, thousands of families—displaced from their homes and villages—are in desperate need of your help.

Your contribution today will allow CHF to help those in desperate need now!

Your support will make a real difference immediately:
